Bible League

Bible League can provide resources, education, and a highly effective infrastructure of missions work. All Bible League ministry worldwide is done through local churches like yours. And it all begins with a \$4 Bible! (worldwide average)

Everything we do begins with God's Word. For every \$4, the Bible League can print, ship, and place a Bible into the hands of someone who has been waiting. You can answer their prayers.

## HOW MUCH WILL IT COST?

Follow God's command to "go and make disciples"

# Bible League

serves thousands of churches around the world...

**WE CAN SERVE YOURS, TOO!**

## DOES YOUR CHURCH HAVE A PASSION TO REACH THE WORLD FOR JESUS?

# It's all about partnership

Your church is missions-minded and you're already making an impact. You're supporting missionaries, funding mission organizations, or taking short-term trips. To some degree, you're involved in missions.

A partnership with the Bible League can exponentially expand your impact.

## What does the Bible League do?

Evangelism and discipleship through Bible studies, all with the goal of building up local churches around the world – churches like yours.

Last year alone, Bible League placed more than 19 million Scriptures and trained more than 265,000 believers to reach out to their communities with the Gospel message. Bible League provides the Scriptures and training to churches in more than 60 countries every year.

Make the Bible League a mission partner and you will expand your mission impact. You will be amazed at what God can do through this partnership. See what we can do together.
